Terry,

I'm attaching a clean version of the Blades document. I think we've answered all of the questions in the revised writeup, and the one we didn't answer is in a comment box.

Please let me know if this works, and/or if you have any further questions.

Thanks!

Lorie

**Subject:** More questions on Blades and [Nonresponsive based on revised scope]

Hi Lorie,

The good news is that Peter Wright plans to brief the Administrator on the spring 2020 NPL package "soon". The less than good news is that Jim had a lot of new comments/questions on the writeup for Blades and one question on the writeup for

[Nonresponsive based on revised scope] Jim completely re-wrote the Blades summary. So could you please check it for accuracy and fill in the responses to Jim's questions?

Thanks.

Terry
